SUBJECT: ANTICIPATED CHANGES TO WIA ADMINISTRATIVE COSTS

This information bulletin transmits Department of Labor (DOL) Training and Employment Guidance Letter (TEGL) 1-00 pertaining to the anticipated changes to the Administrative Costs Section in the proposed Final Regulations for the Workforce Investment Act (WIA) of 1998. The DOL anticipates the release of WIA Final Regulations at the end of July. This definition of the Administrative Cost classification goes into effect on July 1, 2000.

The DOL has redefined how to classify costs under WIA. The Final Rule will provide an all-inclusive list of the functions that are to be classified as administrative and subject to cost limitation.
